- Checking that books of account have been properly kept throughout the year
- Checking a sample of payments to ensure that the Council's financial regulations have been met, payments are supported by invoices, expenditure is approved, and VAT is correctly accounted for
- Reviewing the Council's risk assessment and ensuring that adequate arrangements are in place to manage all identified risks
- Verifying that the annual precept request is the result of a proper budgetary process; that budget progress has been regularly monitored and that the council's reserves are appropriate
- Checking income records to ensure that the correct price has been charged, income has been received, recorded and promptly banked and VAT is correctly accounted for
- Reviewing petty cash records to ensure payments are supported by receipts, expenditure is approved and VAT is correctly accounted for
- Checking that salaries to employees have been paid in accordance with Council approvals and that PAYE and NI requirements have been properly applied
- Checking the accuracy of the asset and investments registers
- Testing the accuracy and timeliness of periodic and year-end bank account reconciliation(s)
- Year end testing on the accuracy and completeness of the financial statements

Conclusion

On the basis of the internal audit work carried out, which was limited to the tests indicated above, in our view the council's system of internal controls is in place, adequate for the purpose intended and effective, subject to the issues reported in the action plan overleaf.

INTERNAL AUDIT REPORT
POULTON & PULFORD PARISH COUNCIL – 2020/21

	ISSUE	RECOMMENDATION	FOLLOW UP
1	The risk assessment does not address the risks of supplier (procurement) fraud.	*The risk assessment should be updated to include supplier (procurement) fraud including the adequacy of supplier onboarding controls.*	
2	Total other payments is incorrect on the annual return and does not agree to the supporting accounts. The balance carried forward of £18,242 is correct.	*The annual return should be amended as follows:* *All other payment = £22,809*	
3	The standing orders of the Council state the following: 'Any proposed contract for the supply of goods, materials, services and the execution of works with an estimated value in excess of £1000 shall be procured on the basis of competitive quotes'. For the following contracts, we have seen no evidence of alternative quotes being obtained before the contract was awarded: Village Hall Heating system £5146 Village Hall Lighting £2405 Planters £1200	*The Council should ensure they award contracts as per their standing orders and are able to demonstrate that value for money has been achieved.*	

Follow up of 2019/2020 internal audit recommendations			
1	The general reserves of the Council at £23,660 are in excess of the sector guidance of 12 months precept. The Council are considering a number of projects but have not quantified the amounts being held.	*The Council should identify reserves being held for specific projects and specify these as ear-marked.*	*Implemented*
